also Naval General Service medal for Syria, Turkish medal for St. Jean d'Acre, Baltic medal, 1854-55, the Royal Humane Society's bronze medal, and the Board of Trade medal, all awarded to the same recipient, forming an unique group, of great interest 6

Awarded to JOHN DONOVAN, R.N.

"JOHN DONOVAN, Chief Boatman in charge of the Old Head Coast Guard Station, Kinsale, received the ALBERT MEDAL, 2nd Class.

The Italian barque "Thetis," in distress in Courtmacsherry Bay, Ireland.

The "Thetis" of 324 tons, with a crew of 11 persons, became embayed in Courtmacsherry Bay during a gale on November 30th, 1866. She had anchored in a dangerous position surrounded by reefs, and had cut away her masts when she was observed by the Coast Guard and Fishermen on shore.

JOHN DONOVAN endeavoured to prevail upon the fishermen who lined the shore, to the number of about 200, to launch one of their boats, well adapted for the purpose of rendering assistance, but they refused.

DONOVAN then caused the Coast Guard Galley to be dragged across the land, a distance of about 1½ miles, and lowered over a perpendicular cliff, about 50ft. in height. When this was done he and four Coast Guard men launched her and proceeded to the vessel.

On getting alongside, the galley was capsized, and partially stove, but by good management her crew who had life jackets on, got on board the barque, where they remained for some hours expecting that she would part her cables, owing to the heavy sea running, and a gale blowing on shore. She however rode till the weather moderated, when the galley was repaired and the crews of the boat and vessel landed in her." —Extract from the "London Gazette," June 7th, 1867, Pages 3226-7. Board of Trade, Whitehall, June 4th, 1867.
